Unengaged, Unreached of the Day – Source: www.joshuaproject.net

Please pray for the...

Arab, Iraqi of Australia

Population:	67,000
Language:	Arabic, Mesopotamian spoken
Religion:	Islam
Evangelical:	1.0%
Status:	Unreached

Ever since the Gulf War of 1991, many Iraqis have come to live in Australia under the humanitarian program. The coming against the Shia in Iraq also led to many Iraqi Arabs coming to Australia after 1991. Many Iraqis came to Australia in the 1980s because of the Iran-Iraq war. After the Gulf War of 1991, some refugees lived in processing camps, sometimes for five years before being allowed to live in Australia. Immigration of Iraqis to Australia increased from 1992 to 1995. Lately most of the Iraqis have come here under the Family and Skilled Migration categories. Some of them looked for refugee status after they came to Australia and they have remained while their cases were looked into.
