**Ansari of India**

|              |            |
|--------------|------------|
| Population:  | 10,463,000 |
| Language:    | Urdu       |
| Religion:    | Islam      |
| Evangelical: | 0.00%      |
| Status:      | Unreached  |

The Ansari are Muslim who practice folk Islam which incorporates many folk beliefs into their observance of the religion. There are almost no followers of Christ among the Muslim Ansaris. The friendliness of the Ansaris can open doors for believers to develop closeness with them and opportunities to share the gospel. In recent years numerous teams have begun working in north India among the Ansaris but almost no work has begun in Nepal. Pray for the expansion of country work into the Ansari communities of Narayani, Bheri and Lumbini Zones.
